LETS TALK …

The aim of this game is to get four of your own counters in a row.

What you will need:

- LET’S TALK ABOUT…. grid (below)
- 4 Counters (different colours for different players)
- timer.

What to do:

1. This is a game for 2 or more players.
2. Take it in turns to choose a square from the LET’S TALK ABOUT…. grid (below).
3. Speak about the topic in your square for one minute. If you can speak without stopping on the topic then you can put a counter on the square.
4. You can only have one counter on each square.

Taking the learning further:

- create your own version of the game
- change and adapt the rules.

What learning is happening:
