WRITING TO ENTERTAIN CHALLENGE

What you will need:
- paper and pen
- computer or device (optional).

What to do:
1. Choose a writing idea from the grid below.
2. Aim to write for about 20-30 minutes for each idea. You may also want to include drawings or photos. Some writing pieces might be written over a few days.
3. Use a variety of interesting and descriptive words in your writing.
4. Try and write about as many of the ideas as you can while you are learning from home.
5. Share your writing with someone at home or a friend via email or phone.

What learning is happening:
- developing and extending your vocabulary
- writing a variety of texts and genres
- generating ideas and thinking about what makes a piece of writing entertaining.
