Hearing Services

Hearing Services offer state-wide specialist educational support for children from 0 to 18 years who are Deaf/Hard of Hearing.

Hearing Services employ qualified Teachers of the Deaf, Auslan Interpreters, Auslan Assistants and Deaf Tutors.

These people work with schools and relevant agencies to support Deaf/Hard of Hearing children with hearing loss and their families in home, school and community settings.

Support is designed to:

- Meet the individual needs of children and their families
- Ensure equity of access to the curriculum
- Provide ongoing direct support to classroom teachers
- Assist with transition throughout their school years
- Develop children’s social connections

Referrals can be made by:

- Hearing Australia
- Family members
- Medical / Health professionals
- Teachers
- Universal Newborn Hearing Screening

Hearing Services Provide:

1. Expert professional advice
2. Monitoring and reporting of children’s progress
3. Individual support for children
4. Auslan interpreting support in schools
5. Collaborative support for stakeholders
6. Professional Learning

Note: there is no cost to parents of children aged 0-4 years or those enrolled in State Government Schools.
