1. Purpose

The purpose of this procedure is to support State schools to maintain safe and supportive learning environments by providing processes for responding to unacceptable behaviour of a volunteer or visitor.

2. Overview

This procedure sets out the roles and responsibilities of principals and school staff at a State school or school activity in supporting and promoting respectful volunteer and visitor behaviour. This procedure also details the process for responding to unacceptable behaviour of volunteers and visitors at a State school or school activity, including removal of a volunteer or visitor in line with trespass law, the Education Act 2016 (Tas) ("the Act") and Secretary’s Instruction No 3 for Unacceptable Behaviour at a State School.

3. Roles and Responsibilities

• It is important that students, school staff, volunteers and visitors all model behaviour consistent with the Department of Education (DoE) values and goals, and are positive and respectful in their conduct when present on the school campus or at a school activity.

3.1 Principals

• Must ensure that any existing behaviour management policy for volunteers and visitors meets the requirements of the Act, and associated Regulations and Instructions. This may include updating or establishing new supporting school resources in addition to the school’s Policy, as necessary, to manage unacceptable behaviour of volunteers at, and visitors to, their school or school activity.
• Must ensure this information is easily accessible for all volunteers and visitors through online and hard copy materials.
• A principal can choose not to delegate their authority to remove an adult when they are going to be absent from the school. However, if they wish for the Person in Charge to be able to exercise the authority under s136 of the Act, the principal must delegate the power before they leave (see section 4.1 Delegating the authority to require an adult to leave the school or a school activity)
• Must model appropriate behaviour and uphold associated values in line with the State Service Principles.
• Must consult with the School Association, and if one exists, the student representative body, when developing the school-specific Respectful Visitor and Volunteer Behaviour Policy.

3.2 Teachers and school staff

• Must be aware of and follow any school policies and processes to manage unacceptable behaviour of volunteers at, and visitors to, State schools and school activities
• Must be able to direct volunteers and visitors to relevant materials on unacceptable behaviours
• Must model appropriate behaviour, and uphold associated values in line with the State Service Principles.

4. Process

4.1 Developing a policy for the school

• Principals must, according to the policy requirements in the Respectful School Volunteer and Visitor Behaviour Policy template, develop a policy for their school that sets out what constitutes unacceptable behaviour for volunteers and visitors at their school, and the process for managing and responding to unacceptable behaviour while at school and school related activities.
• School policies and processes for responding to the unacceptable behaviour of a volunteer or visitor should include processes to follow when the unacceptable behaviour occurs in a classroom or other place within the school environment where a member of the teaching staff may need to seek the assistance of another person.

• In developing a policy for their school, a principal may choose to develop or incorporate their own processes for responding to unacceptable behaviour, building on the four step process on the following page.

Unacceptable behaviour of visitors or volunteers

The following behaviour constitutes unacceptable behaviour of volunteers at, and visitors to, State schools or school activities:

(a) disobedience of instructions which regulate the conduct of volunteers at, and visitors to, State schools and school activities
(b) contravening school rules and policies
(c) behaviour that is likely to impede the learning of students at that school
(d) behaviour that is detrimental to the wellbeing of the students or staff at that school
(e) behaviour or actions that cause or are likely to cause injury to persons or damage to property
(f) behaviour that is likely to bring that school into disrepute
(g) behaviour that is likely to put a person at risk of harm
(h) harassment or stalking
(i) threatening behaviour
(j) discrimination
(k) bullying, including cyberbullying
(l) illegal behaviour
(m) unsociable behaviour
(n) sexualised behaviour
(o) any other behaviour that a principal determines to be unacceptable behaviour (identified in the school’s Policy).

• What actions constitute unacceptable behaviour are dependent on the context and should be considered on a case-by-case basis.

• The unacceptable behaviour of an adult volunteer or visitor must occur on a school campus or at a school activity for section 136 of the Act to apply. Principals should refer to the Legal Issues Handbook or contact Legal Services for advice if they are considering removal of an adult in response to unacceptable behaviour that occurs away from a school campus or school activity (e.g. unacceptable behaviour by a parent on social media).

4.2 Delegating the authority to require an adult to leave

• If a principal is absent from the school campus or school activity, they may delegate their power to remove an adult for unacceptable behaviour under s136 of the Act to a staff member of the school. This delegation cannot be a standing (ongoing) delegation to an assistant principal. Information for schools on delegations can be found in the Legal Issues Handbook.

• The following forms allow for a principal to delegate their authority under s136 of the Act, to require an adult to leave the school or school activity, if the principal will not be present:

  » Advice: Absence While on Duty Form
  » Minor Excursion Approval Checklist
  » Major Excursion Approval Checklist.
4.3 Four step process: responding to unacceptable behaviour of a volunteer or visitor

Step 1
- Apply conflict de-escalation techniques where appropriate and safe to do so.
- Inform the volunteer or visitor that their behaviour is contrary to DoE values and goals, and the school's values, and is in breach of the school’s Respectful School Volunteer and Visitor Behaviour Policy;
- Request that they cease the unacceptable behaviour;
- Move the volunteer or visitor away from students and staff (where appropriate).

Step 2
- If attempts to defuse or resolve the unacceptable behaviour are unsuccessful:
  - Request the adult volunteer or visitor leave the school campus or school activity in line with with the authority to remove an adult for unacceptable behaviour under trespass law (at a school campus only) or s136 of the Act (at a school campus or school activity).
  - If appropriate, inform the adult volunteer or visitor verbally how long they are to stay away from the school campus or school activity (see Step 4).
  - Request the child volunteer or visitor leave the school campus in line with the authority under trespass law. If at a school activity off campus, the person in charge of the property would be required to require the child to leave.

Step 3
- If an adult volunteer or visitor refuses to leave the school campus or school activity:
  - The principal (or their delegate) may take such action that they consider necessary and reasonable in the circumstances to remove the adult volunteer or visitor;
  - This may include requesting assistance from another person or authority (Police, a senior staff member, private security engaged by the school); and
  - If any volunteer or visitor (either an adult or a person under 18) assaults staff or a student, staff may use appropriate physical restraint to protect students and staff from foreseeable risk of injury. Refer to Security and Emergency Management Procedures for further information.

Step 4
- If the principal (or their delegate) deems that the unacceptable behaviour warrants requiring the volunteer or visitor to stay away from the school for a set time period, they must inform the volunteer or visitor in writing setting out:
  - A short description of the unacceptable behaviour, including date and time;
  - The period of time the volunteer or visitor is to stay away from the school or school activity; and
  - A process for resetting the relationship (for example, re-entry meeting with the principal before the volunteer or visitor can return to the school)
- NOTE: Keep a copy of any letters issued.
- NOTE: If it is an adult this requirement can be issued as trespass or under s136 of the Act (if they are required to not attend school and school activity).
- NOTE: If they are under 18 this can only be issued as trespass and only apply to staying away from the school campus.
