# 1 Purpose

This Procedure supports the Chaplaincy and Student Wellbeing Services in Tasmanian State Schools Policy (the Policy) by providing advice to all Department for Education, Children and Young People (“The department) employees, schools, and School Associations, Approved Chaplaincy/Student Wellbeing Providers, Chaplains, and Student Wellbeing Officers.

All schools engaging the services of a Chaplain and/or Student Wellbeing Officer must consider relevant provisions of this Procedure regardless of the funding source. Where Chaplains/Student Wellbeing Officers work directly one-to-one with students, they must comply with the Working with External Support Providers Procedure\_(see Section 5.5 below).

A Schools Checklist is also available.

## 2 Overview

The considerations and actions that must be undertaken by schools engaging a Chaplain and/or Student Wellbeing Officer to provide pastoral care services and wellbeing support strategies include:

- An initial determination that the school community supports the engagement of a Chaplain/Student Wellbeing Officer.
- The roles, responsibilities, and obligations of department schools, Approved Providers, Chaplains/Student Wellbeing Officers.
- The process for engaging the services of a Chaplain/Student Wellbeing Officer.
- The process for the ongoing management of Chaplaincy/Student Wellbeing services.

## 3 Roles and Responsibilities

Roles and responsibilities are outlined in this Procedure, the Policy, the National Student Wellbeing Program Federation Funding Agreement Schedule (FFA Schedule) and the Chaplaincy/Student Wellbeing Contract for Services.

### 3.1. The department

The role of the department is to administer the National Student Wellbeing Program (NSWP) in Tasmania on behalf of the Australian Government. The department is responsible for:

- all aspects of delivering the NSWP as outlined by the Australian Government in the FFA Schedule.
- administering and allocating funding to government and non-government school sectors to participate in the NSWP.
- establishing and maintaining relevant documentation that supports the provision of chaplaincy/student wellbeing services in government schools regardless of whether or not they receive NSWP funding.

- requesting additional information from participating schools and Approved Providers as required to meet its obligations under the FFA Schedule.
- supporting schools with advice on how to deliver the NSWP

### 3.2. Schools

The role of participating schools is to manage the provision of Chaplaincy/Student Wellbeing services through the Principal (or their delegate). The following responsibilities are to be considered by the Principal when considering engaging the services of a Chaplain/Student Wellbeing Officer and must be followed when chaplaincy/student wellbeing services are provided in departmental schools:

#### 3.2.1. Selection of Chaplains/Student Wellbeing Officers

- Schools must confirm that the school community, particularly parents, support the engagement of a Chaplain/Student Wellbeing Officer.
- Schools must select their preferred Provider from the Panel of Approved Providers.
- Schools must complete an Official Order with the Approved Provider.
- Tasmanian State Schools who are not participating in the NSWP must only engage in a contract to deliver chaplaincy or student wellbeing services with an Approved Provider.
- Schools must negotiate the chaplaincy/student wellbeing services to be provided to their school community with their chosen Approved Provider through completion of the Official Order.
- Schools must work with their chosen Approved Provider to engage an appropriately qualified Chaplain/Student Wellbeing Officer for their school community and induct them as outlined below.

#### 3.2.2. Selection of Chaplains/Student Wellbeing Officers

Schools must:

- provide the Chaplain/Student Wellbeing Officer with an induction to relevant department and school based policies and procedures including:
  - Behaviour Standards and Code of Conduct for Chaplains and Student Wellbeing Officers in Tasmanian State Schools. (See Section 4, Process below).
  - Enquiries and Complaints Management Policy.
  - eSafety Training Module for the NSWP from the eSafety Commissioner.
  - Safe. Secure. Supported. Our Safeguarding Framework.

- complete the School Checklist prior to the Chaplain/Student Wellbeing Officer starting work at their school.

- allow the Chaplain/Student Wellbeing Officer access to appropriate professional development (generally this would occur outside of school hours and at the Approved Provider's expense). If a school wishes for a Chaplain/Student Wellbeing Officer to undertake additional training for a unique school context this may be negotiated between the school and the Approved Provider.
- allocate workspace and support facilities for the Chaplain/Student Wellbeing Officer, including IT access (i.e. a DECYP login and access to a device).
- ensure the Chaplain/Student Wellbeing Officer is integrated into the life of the school through professional and personal support and supervision.

### **3.2.3. Operation of the NSWP**

Schools must:

- ensure Chaplaincy/Student Wellbeing services are delivered in a location that can be observed and/or accessed by school staff at all times.
- establish appropriate processes to ensure that participation in Chaplaincy/Student wellbeing services and any related activities by all students is voluntary.
- give parents the opportunity to object, as a matter of conscience, to their children participating in any Chaplaincy/Student Wellbeing related services and activities.
- ensure the Chaplain/Student Wellbeing Officer is subject to the overall management structures and procedures of the school.
- provide Chaplains/Student Wellbeing Officers with an understanding of the roles of Social Workers and School Psychologists and the referral process for their services, and assist Chaplains/Student Wellbeing Officers to develop skills in discerning when referrals to professional staff are warranted.
- retain copies of all documents relating to a Chaplaincy/Student Wellbeing service.
- advise [nwsp@decyp.tas.gov.au](mailto:nwsp@decyp.tas.gov.au) where a complaint is made regarding a school's Chaplain/Student Wellbeing Officer.
- approve all services and materials to be delivered by the Chaplain/Student Wellbeing Officer and ensure that they contribute to the wellbeing of students; and that these services are consistent with the Chaplain/Student Wellbeing Officers' qualifications and the requirements of the Policy and the FFA Schedule.
- provide regular reports, including an acquittal of expenditure for NSWP funding, to the department to enable the department to monitor and evaluate Chaplaincy/Student Wellbeing services and fulfil its reporting obligations to the Australian Government.
- ensure that the Chaplain/Student Wellbeing Officer understands the principles, ethics and practical implications of confidentiality in accordance with various regulations and the policies and procedures of the school.
- ensure that Chaplains/Student Wellbeing Officers only collect student information that is necessary to provide the agreed chaplaincy/student wellbeing service, and that all student information is held securely to avoid loss; unauthorised access, use, modification or disclosure; and all other misuse in accordance with the *Personal Information Protection Act 2004* and the department policy on Personal Information Protection Policy.

- follow Off Campus Activities Planning Procedures Chaplains/Student Wellbeing Officers may attend school camps, off-campus activities, and excursions organised by the school. Chaplains/Student Wellbeing Officers cannot be included when the school is calculating staff supervision ratios.
- ensure under no circumstances can the school's duty of care for students be delegated to its Chaplain/Student Wellbeing Officer. It is important that the Chaplain/Student Wellbeing Officer and school staff understand their responsibilities to take reasonable care for their own safety and ensure that they do not adversely affect the health and safety of others. Further information on duty of care is provided in the document Duty of Care for Students on Departmental Educational Sites Procedure.

It is best practice that where Chaplains/Student Wellbeing Officers:

- Intend to promote external events run by religious organisations to students, deliver special religious instruction, conduct religious services or ceremonies or lead students in religious observances that approval must be sought from the principal, and that principals consult with their School Association to inform their decision.
- That where religious instruction is provided in a school (in accordance with the *Education Act 2016* and the Religious Instruction in State Schools Policy) that it is provided independently of the Chaplain/Student Wellbeing Officer.

### 3.3. Approved Providers

- The role of the Approved Provider is to employ Chaplains/Student Wellbeing Officers to provide Chaplaincy and/or Student Wellbeing services in Tasmanian schools.
- Principals and Approved Providers must work collaboratively to select a Chaplain/Student Wellbeing Officer for appointment to a school and must negotiate and document a work plan which details the duties and tasks the Chaplain/Student Wellbeing Officer will undertake in the school (to be reflected in an Official Order for Chaplaincy/Student Wellbeing services).
- Approved Providers must enter into a formal contract with the department for the delivery of Chaplaincy and/or Student Wellbeing services before commencing in any state school.
- Approved Providers must complete an Official Order with each school they are providing services to.
- Approved Providers are fully responsible for all employment related matters related to Chaplains/Student Wellbeing Officers and for paying the salary and other employment-related costs for the provision of Chaplaincy/Student Wellbeing services, and the provision of professional development and support for Chaplains/Student Wellbeing Officers. However, Chaplains/Student Wellbeing Officers are subject to the direction and management of the Principal (or their delegate) in their day-to-day tasks.
- Approved Providers must not pressure schools or School Associations to fund additional chaplaincy hours beyond the level funded under the NSWP.
- Approved Providers must ensure that they and their employees adhere to the requirements outlined in this Procedure, the Policy, the Contract for Services, and the NSWP FFA.

including establishing appropriate complaint mechanisms (for complaints referred to it by the department).

- In first instance, Approved providers must report all complaints about Chaplains/Student Wellbeing Officers to the department by emailing [nswp@decyp.tas.gov.au](mailto:nswp@decyp.tas.gov.au), The department will then advise Approved Providers on the appropriate response.
- Approved Providers must report to schools and other business units within the department (as requested) and provide feedback regarding Chaplaincy/Student Wellbeing related matters, this will include a six-monthly Report to be submitted in Term 1 and 3 each year (or as otherwise requested) outlining:
  - Names of Schools receiving services from Provider.

- Approved Providers must verify and provide evidence to the school of a Chaplain/Student Wellbeing Officer's relevant qualifications and current and valid Registration to Work with Vulnerable People (RWVP), and ensure that the Chaplain/Student Wellbeing Officer has signed the Behaviour Standards and Code of Conduct for Chaplains and Student Wellbeing Officers prior to the Chaplain/Student Wellbeing Officer commencing work at that school.
- **NSWP ONLY:** Approved Providers must ensure that NSWP Chaplains/Student Wellbeing Officers undertake professional learning, in particular, the eSafety Training Module for the NSWP from the eSafety Commissioner within three months of commencing NSWP services and refresh this professional learning at least once every two and a half years. However, such activity must not be undertaken within the minimum 360 hours of Chaplaincy/Student Wellbeing services provided to a school, unless agreed by the Principal.

### 3.5. School Association Committees

School Associations work with their Principal (or delegate) and the wider school community to determine the need and support for a school chaplaincy/student wellbeing service for their school community.

- School Associations may work with the Principal (or delegate) and the Approved Provider to select an appropriate Chaplain/Student Wellbeing Officer to work in their school community.
- School Associations may choose to form a sub-committee to oversee and provide advice on the services and materials to be delivered by the Chaplain/Student Wellbeing Officer, and the development and implementation of the chaplaincy/student wellbeing service in partnership with the Principal (or delegate).
- There is no obligation on the school or School Association to fund additional Chaplaincy/Student Wellbeing Services beyond those funded under the NSWP.
- School Associations may choose to work with the Principal (or delegate) to fundraise to purchase additional chaplaincy/student wellbeing services beyond those funded under the NSWP, where there is prior agreement to do so between the school and the Approved Provider.

## 4 Process

The process for provision of Chaplaincy/Student Wellbeing services is to be taken into account by the Principal when considering engaging the services of a Chaplain or Student Wellbeing Officer, and must be followed whenever Chaplaincy/Student Wellbeing services are provided in Tasmanian state schools. These steps are explained in detail in sections **Error! Reference source not found.** to **Error! Reference source not found.**

A Checklist has been developed to support schools to meet these requirements, the checklist must be completed and a copy should be kept in the school's records.

#### The steps are:

1. Schools with an available source of funding and the support of their school community to engage a Chaplain or Student Wellbeing Officer select an Approved Provider
2. Schools (with input from their School Association) and the Provider work together to select a Chaplain or Student Wellbeing Officer.
3. Schools inform parents/carers/students of Chaplaincy and/or Student Wellbeing services and give them the opportunity to opt out of participating.
4. Chaplain/Student Wellbeing Officers obtain a Registration to Work with Vulnerable People (RWVP) and sign the Behaviour Standards and Code of Conduct for School Chaplains and Student Wellbeing Officers.
5. After being inducted at the school, the Chaplain/Student Wellbeing Officer commences work under the day-to-day direction of the Principal (or delegate).

#### **4.1. Schools with an available source of funding and the support of their school community to engage a Chaplain or Student Wellbeing Officer, select an Approved Provider**

- The Official Order sets out the agreed parameters of the chaplaincy/student wellbeing service ensuring that a minimum of 360 hours of Chaplaincy/Student Wellbeing Services per annum is provided to receive the maximum funding available per school (or a pro rata minimum service level for funding less than the maximum).
- As schools will monitor the hours worked by their Chaplain/Student Wellbeing Officer, they are to maintain records that will objectively and periodically demonstrate the number of hours being delivered by the Chaplain/Student Wellbeing Officer to the school community, the department, and other key stakeholders on request.
- The school and their chosen Approved Provider must outline the nature of the chaplaincy/student wellbeing service to be provided, approved materials and activities, how performance will be jointly managed, the operation of any School Association governance

arrangements or any other matter that the parties wish to document, so long as it is consistent with the NSW FFA, this Procedure, the Policy, and the Contract for Services signed by each of the Approved Providers.

- It is not compulsory for any student to participate in activities or receive services from a school Chaplain/ Student Wellbeing Officer.
- The Principal (or delegate) must ensure that parents, carers, and students have been fully informed of the program and the role of the Chaplain/Student Wellbeing Officer in the school. It must also be clearly communicated that the program is not part of the school curriculum and their children do not have to participate in this service.
- Schools must establish communication processes to provide parents/carers at the beginning of the school year and at enrolment, and on request, information that details the school's Chaplaincy/Student Wellbeing services (e.g. publishing information on the school's website, in the parent handbook, and/or school newsletter). This detailed information includes:
  - Information about the chosen Approved Provider and Chaplain/Student Wellbeing Officer.

- Examples of induction processes used by schools include:
  - School staff meetings.
  - Face to face meeting between principals and Chaplains/Student Wellbeing Officers.

## 5 Operational Requirements for Chaplains and Student Wellbeing Officers

### 5.1. Document Retention

The *Archives Act 1983* stipulates that State and local government organisations must not dispose of records of any type or format without the written approval of the State Archivist. Disposal of records involves their destruction, their removal from the custody of their creating Agency, or their transfer to the Tasmanian Archive & Heritage Office. Practically, the retention of documents is crucial to business continuity, particularly if contact officers for each school are regularly updated. Schools must retain all documents related to chaplaincy service.

### 5.2. Parent, Student or Community Complaint

Parents/carers, students and other members of a school community have a right to raise complaints/concerns about the Chaplaincy/Student Wellbeing services at their school. Complaints must be managed in accordance with the *Enquiries and Complaints Management Policy*.

Schools must report all complaints about Chaplains/Student Wellbeing Officers to the department at [nswp@decyp.tas.gov.au](mailto:nswp@decyp.tas.gov.au)

Approved providers must report all complaints about Chaplains/Student Wellbeing Officers to the department at [nswp@decyp.tas.gov.au](mailto:nswp@decyp.tas.gov.au)

Schools must maintain/hold records of all complaints about Chaplains/Student Wellbeing Officers at the school.

### 5.3. Resolution of Disputes between Chaplain/Student Wellbeing Officer and School

Chaplains/Student Wellbeing Officers are employees of the Approved Provider.

In the first instance, disputes between the Chaplain/Student Wellbeing Officer and the school or between the Chaplain/Student Wellbeing Officer and their employer should be resolved with the Chaplain's/Student Wellbeing Officer's manager and the Principal as appropriate, according to the Approved Provider's dispute resolution procedures.

In the event the Chaplain/Student Wellbeing Officer and Approved Provider and school are unable to reach agreement about a matter that is affecting service delivery to the school, the department may meet with the Approved Provider to discuss the matter in good faith and ensure the Approved Provider is complying with its obligations under the Policy, this Procedure or the FFA Schedule.

Any breach of the *Behaviour Standards and Code of Conduct for School Chaplains and Student Wellbeing Officers* or behaviour which poses a risk to students will not be tolerated. Any incident, disclosure or suspicion of child abuse perpetrated by a Chaplain or Student Wellbeing Officer, including child sexual abuse and grooming, must be reported to the Strong Families Safe Kids Advice and Referral Line (ARL) on 1800 000 123 and documented in accordance with the Mandatory Reporting Procedure. Illegal behaviour must also be reported to Police.

Parents/carers, students and other members of a school community have a right to raise complaints/concerns about the Chaplaincy/Student Wellbeing services at their school. Complaints must be managed in accordance with the Enquiries and Complaints Management Policy.

Schools must report all complaints about Chaplains/Student Wellbeing Officers to the department at [nswp@decyp.tas.gov.au](mailto:nswp@decyp.tas.gov.au)

Approved providers must report all complaints about Chaplains/Student Wellbeing Officers to the department at [nswp@decyp.tas.gov.au](mailto:nswp@decyp.tas.gov.au)

Schools must maintain/hold records of all complaints about Chaplains/Student Wellbeing Officers at the school.

#### **5.4. Resolution of Disputes between Approved Provider and School**

Schools must ensure that the Chaplain/Student Wellbeing Officer and the Approved Provider are aware of the Enquiries and Complaints Management Policy.

Principals must also ensure there are procedures in place at the school level to manage complaints about the Chaplain/Student Wellbeing Officer or service delivery with the Approved Provider concerned. This will always involve engaging the Approved Provider when a complaint is escalated to the Principal.

In the first instance, issues or concerns between an Approved Provider and school should be resolved through discussion between the parties and notification to [nswp@decyp.tas.gov.au](mailto:nswp@decyp.tas.gov.au).

If a discussion does not resolve the matter, then the Contract for Services outlines a dispute resolution process where (except in the case of action required to be taken under statute, or where an urgent interim determination is sought), the parties must refer the matter for resolution by a person of appropriate qualifications and experience agreed between them.

Schools must notify the department at [nswp@decyp.tas.gov.au](mailto:nswp@decyp.tas.gov.au) if a formal contractual dispute resolution process commences.

#### **5.5. Consent for one-on-one Interaction with Chaplain or Student Wellbeing Officer**

Prior to a Chaplain and/or Student Wellbeing Officer providing direct one to one support to a student, in addition to the requirements of this Procedure, providers and schools must adhere to the Working with External Support Providers Procedure. This includes mandatory written consent of a parent or carer.

Any direct one-to-one service or support delivered by Chaplains and/or Student Wellbeing Officers must be delivered in a location where the service can be observed by a member of staff. This does not necessarily mean constant supervision, but this does mean the service must be delivered in a classroom or in a space that can be observed and accessed by staff, for example through a window, or in an active area of the school.

Direct one to one support or service delivery includes any situation where a support provider works individually with a student on a school site, during school hours.
