Course Review 2024 Data Science & Digital Solutions Level 3

Response to feedback for newly accredited courses first delivered in 2024.

In collaboration with TASC, DECYP implemented a range of significant amendments across the suite of new courses, including Data Science & Digital Solutions Level 3.

The 2024 Phase 1 Review identified opportunities for improvement, with a particular focus on assessment.

Senior Secondary Provision and TASC developed a matrix to assess the scale and risk of identified issues. Courses were divided in three categories:

- High priority amendments
- Moderate priority amendments
- Lower priority amendments

Subject Matter Experts met to validate and provide feedback on the proposed solutions to identified issues (the amendments).

What we heard

The following table represents background data related to the course review:

- Number of providers offering the course in 2024
- Total number of feedback responses received
- Percentage represented by the number of feedback responses out of the total number of providers offering the course

	Providers offering the course in 2024	Feedback responses	Percentage of providers represented by feedback responses
Numbers	4	0	0%

Department for Education, Children and Young People
