All Day and Every Night

Holding hands, butterfly kisses
Touching hands, rubbing your back
Time stops when we're together
Because I love you
All day and every night

Squeeze your palm, squishy bear hugs
Looking into eyes, rubbing ears
Time stops when we're together
All day and every night

Yes we have our moments
When we're not at our best
Even when we're grumpy and
I've lost my head
I love you until the end of time
Until the world stops turning

Breathing as one, rocking on my lap
Dancing in the kitchen, snuggling in bed
Time stops when we're together
Because I love you, all day and every night
