

How to support children in the early years get a great start

Loving and secure relationships

Say hello, welcome and acknowledge all children

Healthy food and environments

Make events child friendly – healthy food and smoke free

Opportunities for play and discovery

Share your play spaces with local children, parents and families

Positive and inclusive communities

Invite children, parents and families to local events and activities

A sense of belonging

Support spaces and opportunities for community to meet

Access to services and support

Promote your local services for children and families
