How to support children in the early years get a great start

Loving and secure relationships

Say hello, welcome and acknowledge all children

Healthy food and environments

Keep children safe everywhere

Opportunities for play and discovery

Share links on activities and events for children in your community

Positive and inclusive communities

Enable employees to connect and be part of their local communities

A sense of belonging

Run an event for Children's Week

Access to services and support

Reach out to community – hold an open day, run a stall to promote your services
