Stay connected ~ Stay informed ~ Take charge of your professional journey

BeTTR Hour is a series of one-hour online sessions, tailored to the needs of Early Career Teachers (ECTs). The program focuses on the fundamentals of teaching and learning meaningful to ECTs, with opportunities to connect with fellow ECTs and to ask any burning questions.

The topics covered relate to the Professional Standards for Teachers and will reflect and build on those covered in the *Meeting the Standards* Induction program.

BeTTR Hour is for ECTs in their first four years of practice and will be across multiple sessions each term on Thursdays 3:15pm – 4:15pm.
