

# Clarence High School **Community Voice**

*'Inclusive' 'Modern' 'Welcoming'*

- (A) Contemporary Learning Spaces** configured into Grade Hubs. Each Grade Hub containing a dedicated breakout space, amenities and staff room.
- (B) Infrastructure Upgrades.** School services connections upgraded to meet contemporary standards.
- (C) New Music Faculty** with larger practice rooms, improved visibility and acoustic separation from Grade Hubs.
- (D) New Main Entrance** to the school with consolidated public and student administration.
- (E) Sheltered External Circulation** providing efficient movement around the campus and opportunities of visual awareness and connection between students and staff.
- (F) Dedicated lounge and seating area** adjacent to canteen creating a **Social Hub** of the school.
- (G) Safe, accessible and sheltered External Landscape** environment that encourages relaxation and socialisation.
- (H) Potential works to Gymnasium and Carpark** subject to tender outcome.
