

# The DAISY Award

## Nomination Form

The DAISY Award is an international recognition program to celebrate and recognise nurses. It honours the caring and skilled support that nurses give to the people they care for.

School health nurses play an important role in the Department for Education, Children and Young People (DECYP), supporting students, families and school communities.

Nominations are now open for the DECYP DAISY Award. Anyone can nominate a school health nurse for this Award, including students, families, principals, teachers and other DECYP staff.

Please complete this form to nominate a school health nurse. This information will help choose the two nurses who will receive the Award. We will give a copy of your nomination form to the nurse, unless you tick the box to let us know you don't want this to happen.

Nominations will close on Thursday 2 April 2026. You can find out more about the DAISY Award on the DECYP web site: [www.decyp.tas.gov.au/about-us/events/daisy-award/](http://www.decyp.tas.gov.au/about-us/events/daisy-award/)
