Little Tassie Devils

Mr Smith's raspberries
are hanging over the fence
If you find a ripe one
first in best dressed
Some dogs are friendly
but number 4 is mean
Takes a bit to figure out
who's on which team

We're going out to visit Mrs Crabtree
from 3 doors down
Old mate cobbler from number 6
he gives us lollies like they're
growing on trees
Mum says boredom's good for you
so get outside and play
She kicks us out and tells us
There's an adventure in every day

Little Tassie devils running round

There's a new family at number 33
The kids have never seen the bush
They're used to playing in rice paddies
instead of waves and rock pools
Their blue and white flip flops
have become muddy boots
And they taught us Ni-Hao
instead of how are you!

Little Tassie devils running round

Leave my house early in the morning
Sun just coming up
Meet my friends in the court
We're going fishing at the bluff
We're always home by dark
yeah coz that's Mum's rule
But when she kicks us out early
She says there's an adventure in everyday

TASMANIANS SHARE
DIVERSE CULTURES,
LANGUAGES, TRADITIONS
AND BELIEFS.

WHEN CHILDREN PLAY
THEY BUILD PHYSICAL,
SOCIAL AND EMOTIONAL
SKILLS, AND DISCOVER
MORE ABOUT OTHERS
AND THE WORLD AROUND
THEM.

WHEN CHILDREN AND
FAMILIES HAVE A
POSITIVE SENSE OF
COMMUNITY THEY FIND
FRIENDS, FEEL
CONNECTED AND CAN
PARTICIPATE IN THE MANY
EXPERIENCES TASMANIA
HAS TO OFFER.
