

Course Review 2024

Mathematics 1

Response to feedback for newly accredited courses first delivered in 2022 and 2023.

Following Phase 1 reviews in 2023, and in collaboration with TASC, DECYP implemented a range of significant amendments across the suite of new courses, including [Mathematics Level 1](#).

The 2024 [Phase 2 Review](#) identified additional or outstanding opportunities for improvement, with a particular focus on assessment.

Senior Secondary Provision and TASC developed a matrix to assess the scale and risk of identified issues. Courses were divided in three categories:

- High priority amendments
- Moderate priority amendments
- Lower priority amendments

Subject Matter Experts met to validate and provide feedback on the proposed solutions to identified issues (the amendments).
