# School Terms and Professional Learning Days

IN TASMANIAN GOVERNMENT SCHOOLS

2024

The Tasmanian Government school year is divided into four terms.

## Professional learning days

During the school year, schools have professional learning days for staff. On these days your child will not attend school.

Professional learning days enable teachers to participate in important learning that improves their skills in teaching.

## Moderation days

There is also a moderation day for student assessments. This ensures all students across Tasmania are being assessed against the same benchmarks, and that student assessments are comparable across schools.

## Further information

- In Term 4, new term dates will be published for the upcoming school year. Schools will advise parents and child care providers when the new term dates are available.
- Your child's teacher or school can provide more information about upcoming term dates.
- All term dates are publically accessible on the Department for Education, Children and Young People website: [www.decyp.tas.gov.au](http://www.decyp.tas.gov.au)
