Dear Mr Luttrell

Thank you for the opportunity to comment on the development of the draft *Education Legislation Amendments (Education Regulation) Bill 2021*.

Throughout the consultation period, TASC has met weekly with the Review of Education Regulation Implementation Team and has provided extensive feedback on the Draft Bill, with a particular focus on proposed amendments to the *Office of Tasmanian Assessment, Standards and Certification (Fees) Regulations 2013*, *Office of Tasmanian Assessment, Standards and Certification Act 2003* and relevant sections of the *Education Act 2016*.

TASC has provided the Implementation Team with feedback on key features of the Draft Bill including:

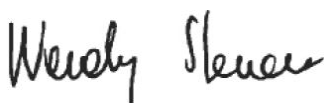

- Principles
- Governance Structure
- Board Skills Matrix
- Independent Review of the Regulator
- Statement of Expectations and the Framework Agreement Performance Framework
- Transitional Arrangements

The Implementation Team has collated our feedback and will provide the Steering Committee with our input for consideration.

We have very much appreciated the opportunity to work with Review of Education Regulation Implementation Team and wish to acknowledge their expertise and responsiveness.

Should you need any further information or clarification from TASC please do not hesitate to contact me on 61 65 6000.

Warm regards

Wendy Spencer  
Executive Officer, TASC
