## VISA CODES – COMPREHENSIVE LIST AT A GLANCE

This fact sheet lists visa codes and important information you need to know when enrolling a student on a Temporary Resident visa in a Tasmanian Government School. Please note:

- All temporary residents must contact the GETI office (03 6165 5727 or [temporaryresident@geti.tas.gov.au](mailto:temporaryresident@geti.tas.gov.au)) and obtain an Authority to Enrol (AtE) before enrolling in a school.
- From 1 July 2022 an Application Fee (non-refundable) of AU \$150.00 per student, will apply to all new applications, regardless of the tuition fee status.
- All permanent visa holders are exempt from obtaining GETI approval to enrol and paying tuition fees.
- Tuition fees are not the same as levies and are paid by a family directly to the Department through GETI.
- Temporary residents who are **18 years old** at the time of enrolment are fee liable regardless of visa subclass.
- **Ukrainian refugees\*** - Please advise GETI if a family seeks enrolment at a school in the first instance. See page 5 for further information.

- Please contact the GETI office (03 61 65 5727 or [temporaryresident@geti.tas.gov.au](mailto:temporaryresident@geti.tas.gov.au)) if presented with a visa that is not listed above.

**\*Ukrainian Refugees** - at the request of the Federal Government, Ukrainian students can access fee-free education to aid with settlement. These are exceptional circumstances and a departure from GETI's usual enrolment processes for international students.

**Please advise GETI if a Ukrainian family seeks enrolment at a school in the first instance.**

Tuition fees and school levies will not be charged for primary and secondary government school enrolments for all Ukrainian students who are:

- already in Australia on a temporary resident visa, or
- who arrive on a temporary visa on or after 20 March 2022 and are eligible to transfer to the new temporary humanitarian visa (subclass 786).

**NOTE** that Ukrainian students who arrive in Australia holding a humanitarian visa are already fee exempt and are not enrolled through Government Education and Training International (GETI), as per existing enrolment practices.
