

# 2020 March Moderation - Report

## Meeting Details

Meeting took place in:

North

Which meeting is this report for?

Technologies - Design and Production Level 2

## Moderation Details for Calibration

Please identify each criterion being moderated and IF SELECTED the elements within that criterion

Criterion 4 = Overall

What rating (or ratings) has the group assigned this sample?

C

What evidence supports the rating (or ratings) the group has given?

Clear samples - indicating levels - group looked at the rubric at specific standards

Criteria states 'A' is for identifying and reporting the work hazards for the workspace taking in other people's safety and the whole area.

B rating is similar to A but not as in depth.

Compared to Criteria 'C' which is following established safety procedures in their own personal workspace.

Suggestion to develop a sign off sheet to record student observations of safety.

Discussion about the use of + and - to indicate levels with marking, only used to give the student and teacher indicator of someone that is on borderline and not used very often.

Use of the "On Guard Program" at Grammar that the Technology Dep't used for testing students safety capabilities.

Discussion about minor projects and the types projects =- sharing of ideas.

Discussion about AATFA and the opportunities for students to enter and go further with fashion and design.
