Task Description:

A journal task that focuses on organisation of information and helps you to prepare for the Unit 3 Minor Assignment (describing and analysing inspiration in artworks).

What you need to do:

You are going to undertake research for the Unit 3 Minor Assignment that is focused on the idea 'that artists gain inspiration and generate ideas from diverse sources.'

You can use any research or information provided to you so far this year, and any artists you have previously looked at either individually or as a class.

You are to:

- Classify and organise art information from a range of sources.
- Draft some notes (maximum 150 words) from at least one source.

A reminder that in Unit 3 'Sources of inspiration' may include:

- life experiences
- history
- sensory experiences (eg. music/soundscapes, food, fragrance, texture.)
- imaginings or invention
- exposure to the works of others
- stimulus material
- surroundings.

Through research and/or first-hand experience, you will consider ways in which artists are inspired to create artworks. They view the work of artists with diverse sources of inspiration. You are given opportunities to find inspiration from a diverse array of stimuli and sources to create artwork in your second studio.

Teacher use only - What needs to be submitted for assessment?

Learners digitally submit a draft source list and draft (150 words maximum) notes to support their research for Unit 3 Minor Assignment.
