CAT Moderation Development Report

English Studio Level 2

Please state the criteria to be assessed (no more than 2):

Criterion 3, elements 1,2,3,5

Criterion 7, elements 2,3

Please state the conditions under which the common assessment task is to be undertaken:

Title of work requirement: Write it, workshop it and write it again

Mode or format: Folio

Description:

One extended edited written script or screenplay: Learners, in consultation with their teacher, identify 2-3 awards or prizes where the kind of script or screenplay they are crafting could be theoretically submitted. Learners choose one of these (awards or prizes) and follow the submission guidelines, including formatting, in their final edit. Learners also develop a logline synopsis which encapsulates the main idea of the script in one sentence.

Size:

A maximum of 800 words for the first draft script including stage directions.

A maximum of 50 words for the logline.

Timing:

Will depend upon the learning context and the needs of the individual learner.

Relevant criteria: Criteria 1, 2, 3, 4, 5, 7.

Please describe the task and directions for students:

Up to 4 lessons in class, not under exam conditions

Does the TASK need to be completed outside of the moderation meeting (Yes or No):

YES

Who from the moderation meeting will be responsible for finalising the task? If working in a group please specify all members of the group:

TBC - Lyndon/Georgie?
