Course Support

Please provide details of any future focus and ways forward you would like Curriculum Services to consider in relation to this course:

Questioning the need for C7 in the course and the Literacy Tick. Can we remove it?
Syllabus Document needs to clearly state that students MUST profile a **Least** Developed Country (not Less) AND the markers for 2019, need to be aware that some schools were not aware
Minka expressed the desire for more markers to come on board to mark externally unfortunately only 5 people are marking. Caz Robinson offered to do a half load due to the time extension.
