

PHILOSOPHY Level 3

Common Assessment Task

Work Requirements:

Unit 3

Assessment Type:

Essay

Criteria being assessed:

- Criterion 4

Suggested conditions:

- This task should take learners 60 minutes.
- The response should be between 650 and 800 words.
- The task may be word-processed or hand-written.
- This task requires an individual response by each learner.

Task Description:

- Write an essay response.
- You have 15 minutes to organise your thoughts and plan your essay.
- Use the remaining 45 minutes to write your essay.
- Include 5 minutes to check your essay for obvious errors and to make sure you have included the information you wanted to.

What you need to do:

You will need to write an essay response to:

Do humans ever have the ability to choose freely?

Use evidence, and evaluating arguments from philosophers, discuss why people believe they have a choice in the way they act.
