Which AM Meeting is this report for?:

Technologies - Design and Production Level 2

Sample 1 - Please identify each criterion being moderated and IF SELECTED the elements within that criterion:

Criterion 2 = Element 1, Element 2, Element 3, Element 4, Element 5

Sample 1 - What rating (or ratings) has the group assigned this sample?:

Sample 1 - What evidence supports the rating (or ratings) the group has given?:

Element 1 - C Link to research and design brief.

Element 2 - B Explaining how the dimensions of the box met the size constraints of the design brief.

Element 3 - C/B Limited range of solutions provided.

Element 4 - C Some detail about the construction, reasonable amount of annotation in working drawings.

Element 5 - T No evidence of referencing

Sample 1 - What evidence would you need to see in order to assign a higher rating (or ratings)?:

Element 1 - Needs to articulate clearly the function of the object for the end user.

Element 2 - No Evidence supporting an iterative process, more description of how they will achieve the concealed opening.

Element 3 - Good use of sketch up, design drawing to generate an idea. Some development of design ideas in sketches and design drawings.

Element 4 - More diverse range of design ideas including prototyping, no evidence of prototyping. Testing and trialling required.

Element 5 - Referencing needs to be included.

Sample 1 - Summary of group consensus with comments to element level if applicable.:

C+/B- see comments regarding element level break down above.

Sample 1 - What actions would you recommend for teachers to help the student attain a higher rating (or ratings)?:

Encourage prototyping, testing and trialling.

Teach referencing techniques in order to reference sources.

Feedback supporting achievement for criteria 2.

Limiting the amount of elements assessed.

Planning for September Moderation 2019 - Statewide Samples

For all courses please nominate the criteria and elements (if desired) for moderation.:

Criteria 4

State the name of the person who will be providing the samples for September moderation.:

Simon Boonstra; Lenna Green

Email address of the person providing the samples for September moderation:

sboonstra@calvin.tas.edu.au; lenna.green@education.tas.gov.au

Sharing Resources

Please record any links to or details of resources that were shared, or describe any assessment strategies that were discussed.:

Documentation for minor projects in TASC DAP Syllabus not mentioned.

Minor project expectations set too high?

Design brief development and assessment.

Course Support

Please provide details of any future focus and ways forward you would like Curriculum Services to consider in relation to this course.:

Textiles and Wood or Metal samples to allow the group to meet with specialist groups and moderate a sample with their like groups. i.e textiles moderation group and wood/metal moderation group.

Discussion around the development of DAP level 2 into level 3 pathway.
