Sharing Resources

Please record any links to or details of resources that were shared, or describe any assessment strategies that were discussed.

Simon Bennett and Matt Dalziel shared Section C tests and Lyn Tunbridge shared articles on the Current Account Surplus (a significant recent economic issue).

Course Support

Please provide details of any future focus and ways forward you would like Curriculum Services to consider in relation to this course:

With the course expiring next year and the curriculum framework for 9-12 still being evolved, the group felt that it was important that we receive clarity around timelines, processes etc for the course rewrite. The group feel that we should have this information now so that 2020 can be spent productively on the details rather than testing the framework.
