---

### Task Description:

You are required to submit extracts from your folio that demonstrates your ethical understanding throughout the inquiry process.

### What you need to do:

Select short extracts from your folio that provide evidence of the following:

- How you applied your ethical understanding of safe and ethical research processes.
- How you differentiated the information, images, ideas and words of others from your own (for example, an extract of text that includes in-text referencing).
- How you applied referencing conventions and methodologies. This must include any entries corresponding to the in-text examples used in dot point above.

You may also add a paragraph of explanation.

#### Teacher use only - What needs to be submitted for assessment?

Learners respond to the dot points in a separate document, clearly identifying what they are responding to. Submissions should be digital.
