

2021 March Moderation - Report

Which meeting is this report for?

Tasmanian Aboriginal Studies Level 2

Moderation Details for Calibration - Sample 1

Sample 1 - Please identify each criterion being moderated and IF SELECTED the elements within that criterion

Criterion 1 = Overall

Criterion 3 = Overall

Criterion 6 = Overall

Criterion 7 = Overall

Sample 1 - What rating (or ratings) has the group assigned this sample?

All criterion were assessed at a B rating for all 4 criterion.

Sample 1 - What evidence supports the rating (or ratings) the group has given?

Sample 1 - noted that it takes a while to get used to the standards, especially when used to Level 3 courses

Sample is largely describing the information - but does extend beyond a C level submission at times

Tends to use examples rather than other evidence

Be better to see specific reference to specific people rather than 'these people' - which groups/who? Be specific.

Thought wrote quote well - but to varying degrees depending on specific element of the criteria

Sample 1 - What evidence would you need to see in order to assign a higher rating (or ratings)?

Specific evidence or examples related to the statements made by the student. E.g. "Most of the Aboriginals died in the hands of Robinson, but some fought against him and deceived him". The student could have referred to specific examples after this idea as evidence of an A rating.
