

WORKING WITH CHILDREN Level 2

Common Assessment Task

Work Requirements:

N/A

Assessment Type:

Multi-modal response

Criteria being assessed:

- Criterion 2 – elements 2, 3, 4 and 6

Suggested conditions:

- This task will require no more than 2.5 hours.
- The response should contain pictures or diagrams and include between 50 - 150 words.
- The report may be written, word processed or recorded.
- This task requires an individual response by each learner.

Task Description:

You will make a resource for parents to show the importance of encouraging responsible use of technology.

- Choose whether you are going to produce a poster, advertisement, or audio-visual display.
- Plan your time so that you can complete the task within the given timeframe.
- Use appropriate vocabulary for parents.
- Include relevant diagrams or pictures.

What you need to do:

Create an advertisement, poster or audio-visual display as a resource for parents to show the importance of encouraging responsible use of technology.

- Your information must be relevant to parents and their family.
- You must add a reference list with a minimum of 3 different sources.
- Include the following points:
 - description of the uses of technology you are focusing on
 - issues that may arise
 - examples of responsible use of technology
 - other safety considerations

Teacher use only - What needs to be submitted for assessment?

Learners should submit their product in hard copy or electronically.
